'Events like Allen Valleys Folk Festival are vital to so many people, not just musicians and people who work with music...it's part of our culture, part of the way we connect with each other...it's absolutely vital...and these things only happen with the passion of people on the ground saying I want live music in my town or village'.

Nick Harper, musician.

Allen Valleys Folk Festival is run by Allen Valleys Community Arts, registered charity number 1187875. Programme subject to change without notice. If, for reasons beyond our control, this year's festival has to be cancelled, ticket buyers will be offered a full refund or a transfer to AVFF 2024.
